A group of dedicated and committed senior students have undertaken the responsibility of Mentoring in 2014.

Our Pilot Program was such a success last year that we decided to continue this year. Both the junior and senior students find it to be a rewarding and worthwhile experience. They not only learn many things from each other but they form excellent working relationships.

During the first two sessions the students had a chat to get to know each other a little better and then they made a list of what they know and what they want to learn from their Mentors. Another useful activity was creating a Venn diagram to illustrate their likes, dislikes and similarities. These activities proved to be useful for matching up students to their mentors with similar interests and goals.

The mentors at the junior campus are Year 12 students: Stasha Andrews, Yanni Tyrikos-Frazis, Benyamin Mirzaei, Kate Soukoulis, Antoni Stamoulos, Gregory Voukelatos and Constance Bouras. Each student is assigned to a class at the Junior Campus and they spend a lesson of their flexible learning time assisting their peers in their learning.

A large number of Year 10 and 11 students have also happily joined our mentoring team on Fridays at lunchtime. There are 34 Year 4 to 6 students who eagerly await their mentors every Friday!

FUNDRAISING

The Parents and Friend’s enthusiasm and work ethic towards fundraising for our school community are commendable.

The Election Day sausage sizzle on Saturday the 15th of March attracted many electors ready to indulge in an egg and bacon muffin, sausage or yiros. They then had the opportunity to enjoy a coffee and sweet for dessert.

Year 12 Student Leaders, Benyamin Mirzaei, Year 12 SRC, Yanni Frazis, Prefect, Sumin Kim, International SRC and House Captains, Stavros Bakopanos, Anthony Vizzari, Lefki Angelo and Stephanie Patelias were there to assist throughout the day. Thank you to all students for their help at the Sausage Sizzle.

On Tuesday the 18th of March the Year 10 SRC, Zacharoula Ktisti and James Zissis and the Year 11 SRC Irini Kouzionis and Abel Gebrehiwot assisted the Parents and Friends during the Milkshake Day Fundraiser at the Senior Campus. On Thursday the 20th of March the Year 3 SRC, Evie Tolis and Kosta Desyllas and the Year 4 SRC, Yebo Lim and Paul Poulakis assisted at the Junior Campus Milkshake Day.

All SRC will also be assisting in the Easter Lolly Jar competition.
GRIP LEADERSHIP STUDENT CONFERENCE

On Monday 24\textsuperscript{th} of March and Tuesday 25\textsuperscript{th} of March, eight of our Student Representatives attended the annual Grip Leadership Conference at the Adelaide Entertainment Centre. The SRC who attended this conference were: Year 4 SRC Yebon Lim and Paul Poulakis, Year 5 SRC Lulia Algheda and Savva Toumazos, Year 8 SRC Alexandra Toubia and Nikolas Kakoulis and College Prefects, Stasha Andrews and Yanni Tyrikos-Frazis. Many skills and ideas were given to the students to enhance their roles as student leaders. They engaged in individual and group activities and they were encouraged to meet and network with student leaders from other schools. One of our College Prefects, Stasha Andrews said “I thoroughly enjoyed the workshop on making fundraisers fun, because I now have more ideas of what we can do at our College”.

COORDINATORS REPORT

Once again I am very proud of the Student Leadership team this year. The senior students, some of whom feature in this newsletter have volunteered as Mentors to students from Reception to Year 6.

A group of Year 12 students are also mentoring at the Junior Campus during a lesson of flexible learning time to support their peers. This is something new that we have introduced this year.

The Student Leadership Team has also started assisting the Parents and Friends of St George College during the Election Day Sausage Sizzle, Milkshake Day and Harmony Day/Bullying Awareness Day.

Thank you to all students for their dedication and I encourage them to continue to serve their College community with enthusiasm!
